The following words and terms shall have the following meanings when used in Policy and Regulation 3223 unless the context clearly indicates otherwise:

“Administrator” means an appropriately certified staff member, as defined in N.J.S.A. 18A-1.1, employed in the school district in an administrative and/or supervisory role and capacity, and holding a valid and effective standard, provisional, or emergency administrative certificate. An “administrator” may be a director, supervisor or any other administrative or supervisory position in the district. For the purposes of Policy and Regulation 3223 and N.J.A.C. 6A:10-1.1 et seq., “administrator” is not a Principal, Vice Principal, or Assistant Principal.

“Announced observation” means the person conducting an evaluation for the purpose of evaluation will notify the administrator of the date and the time period the observation will be conducted.

“Annual performance report” means a written appraisal of the administrator’s performance prepared by the administrator’s supervisor based on the evaluation rubric for his or her position.

“Annual summative evaluation rating” means an annual evaluation rating that is based on appraisals of educator practice and student performance, and includes all measures captured in an administrator’s evaluation rubric. The four summative performance categories are ineffective, partially effective, effective, and highly effective.

“Chief School Administrator” means the Superintendent of Schools or the Administrative Principal if there is no Superintendent.

“Commissioner” means Commissioner of the New Jersey Department of Education.

“Corrective Action Plan” means a written plan developed by the administrator’s supervisor in collaboration with the administrator to address deficiencies as outlined in an evaluation. The corrective action plan shall include timelines for

“District Evaluation Advisory Committee” means a group created to oversee and guide the planning and implementation of the Board of Education's evaluation policies and procedures as set forth in N.J.A.C. 6A:10-2.3.

“Educator practice instrument” means an assessment tool that provides: scales or dimensions that capture competencies of professional performance; and differentiation of a range of professional performance as described by the scales, which must be shown in practice and/or research studies. The scores from the educator practice instrument may be components of the administrator’s evaluation rubrics and the scores may be included in the summative evaluation rating for the individual.

“Evaluation” means an appraisal of an individual’s professional performance in relation to his or her job description, professional standards, and Statewide evaluation criteria that incorporates analysis of multiple measures of student achievement or growth, if applicable, and multiple data sources.

“Evaluation rubrics” means a set of criteria, measures, and processes used to evaluate all administrators in a specific school district or local education agency. Evaluation rubrics consist of measures of professional practice, based on educator practice instruments and student outcomes. Each Board of Education will have an evaluation rubric specifically for teachers, another specifically for Principals, Vice Principals, and Assistant Principals, and evaluation rubrics for other categories of staff members.

“Indicators of student progress and growth” means the results of assessment(s) of students as defined in N.J.A.C. 6A:8, Standards and Assessment.

“Individual professional development plan” means a written statement of goals developed by a teaching staff member serving in a supervisory capacity in collaboration with a teaching staff member, that: aligns with professional standards for teachers set forth in N.J.A.C. 6A:9-3.3 and the New Jersey Professional Development Standards; derives from the annual evaluation process; identifies professional goals that address specific individual, district or school

“Job description” means a written specification of the function of a position, duties and responsibilities, the extent and limits of authority, and work relationships within and outside the school and school district.

“Observation” means a method of collecting data on the performance of an administrator’s assigned duties and responsibilities. An observation for the purpose of evaluation will be included in the determination of the annual summative evaluation rating and shall be conducted by the Superintendent or designee.

“Post-observation conference” means a meeting, either in-person or remotely, between a Superintendent or designee who conducted the observation and the administrator for the purpose of evaluation to discuss the data collected in the observation.

“Scoring guide” means a set of rules or criteria used to evaluate a performance, product, or project. The purpose of a scoring guide is to provide a transparent and reliable evaluation process. Educator practice instruments include a scoring guide that an evaluator uses to structure his or her assessments and ratings of professional practice.

“Signed” means the name of one physically written by oneself or an electronic code, sound, symbol, or process attached to or logically associated with a record and executed or adopted by a person with the intent to sign the record.

Teaching staff members include the positions of school nurse and school athletic trainer. There are three different types of certificates that teaching staff members work under:

1. An instructional certificate (holders of this certificate are referred to in N.J.A.C. 6A:10-1.1 et seq. as “teachers”);
2. Administrative certificate; and
3. Educational services certificate.

“Unannounced observation” means the person conducting an observation for the purpose of evaluation will not notify the administrator of the date or time the observation will be conducted.
