The Cat Came Back

Now, old Mister Johnson had troubles of his own,

He had a yellow cat that would not leave his home.

He tried and he tried to chase the cat away,

So he gave it to a man who was going to Bombay.

Chorus:

But the cat came back the very next day,

The cat came back. We thought he was a goner,

The cat came back,

He just wouldn't stay away.

He gave it to a man who was going way out West,

He told him to take it to the one he loved the best.

First the train hit the curve, then it jumped the rail.

Not a soul was left behind to tell the gruesome tale.

Chorus:

But the cat came back the very next day,

The cat came back. We thought he was a goner,

The cat came back,

He just wouldn't stay away.

Away across the ocean he sent the cat at last.

The great ship was all alone and taking water fast.

People all began to pray, the boat began to toss.

Then a great big gust of wind came by and every soul was lost.

Chorus:

But the cat came back the very next day,

The cat came back. We thought he was a goner,

The cat came back,

He just wouldn't stay away.

He drove it to the desert where the UFO was seen.

The sky was full of crazy clouds of purple, blue, and green.

A giant spacecraft landed and some creatures floated down.

They grabbed the cat and went aloft and left without a sound.

Chorus:

But the cat came back the very next day,

The cat came back. We thought he was a goner,

The cat came back,

He just wouldn't stay away.

Yes, the cat came back the very next day,

The cat came back. We thought he was a goner,

The cat came back,

He just wouldn't stay away.

The cat came back! Meow!
