

## Over My Head

Over my head, I hear music in the air,  
Yes over my head, I hear music in the air,  
Over my head, I hear music in the air,  
There must be joy somewhere.

In my feet, there is dancing in the street,  
Yes in my feet, there is dancing in the street,  
In my feet, there is dancing in the street,  
There must be joy somewhere.

In my heart, there's a play about to start,  
Yes in my heart, there's a play about to start,  
In my heart, there's a play about to start,  
There must be joy somewhere.

In my eyes, there's a rainbow of surprise,  
Yes in my eyes, there's a rainbow of surprise,  
In my eyes, there's a rainbow of surprise,  
There must be joy somewhere.

Over my head, I hear music in the air,  
Yes over my head, I hear music in the air,  
Over my head, I hear music in the air,  
There must be joy somewhere.
