Dear Parent/Guardian,

As part of the 5th, 6th and 8th curriculum and as mandated by the state of New Jersey, we will be covering Family Life (sexuality, growth and development, abstinence, STDS) and AIDS in the 5th, 6th and 8th grade classes. Please be assured the content in this segment is age appropriate.

Please do not hesitate to contact us if you would like to discuss this material. We would be more than happy to go over it with you.

Your child may be excluded from the Family Life portion if you so desire. **You must submit your wish to do this in writing.** Please send your exemption note to the main office. If you have no objection to the approved curriculum as it stands, please return the signed portion below.
